Re: WSCCCA

From: Joe Clark, WSCCCA President

The Washington State Cross Country Coaches Association is making an appeal to the organizers of all high school cross country camps and invitational meets in the state to support your association. There are several events in the state that are already doing so, and we are asking you to join us.

Right now, our association relies on membership dues and donations to cover our awards and scholarships. Your executive board tries to be frugal, spending our money on the Hall of Fame, All State certificates, and Coach of the Year awards for the most part. However, in recent years our membership has gone down, and we lost some funding for the scholarships. Because of this, we were forced to change from plaques to certificates for our Coaches of the Year a few years ago, and reduce the amount of money dispersed in scholarships. That is the bad news, but there is good news too. This last year, our membership has started to respond and we have had several events that have pledged an annual gift from their event to support our programs. That is where you come in. We are asking your event to join us with an annual donation to the Washington State Cross Country Coaches Association. We are not asking for a specific amount either, that is up to you. Our donations from high school Cross Country meets and camps typically range from \$50-\$400.

In return for your donation, we will recognize your event with a link on our newly redesigned website, [watfxc.com](http://watfxc.com) and in any publications for our All Star and Awards events. We will also provide a copy of the WSCCCA logo, and promotional flyers for the East West All Star Race and Hall of Fame if you wish.

Currently, we have donations from the following groups and events; we would love to see your event added to this list:

**Run of the Mill, Lakefair Runs, Sunfair/Clear Lake White Pass XC Camp, South Whidbey Invitational, Fort Steilacoom Invitational, South Sound Cross Country Camp, Snohomish River Run, Rush Apparel,**
